

Decorate The Tree

chorus:

Decorate the tree, decorate the tree!
Hang some ornaments, 1 2 3!
Decorate the tree, decorate the tree!
Hang some ornaments, come help me!

repeat chorus

Satin balls and bells hang on with twine.
Flashing lights and tinsel make it shine!
Snowmen, canes, and ribbons that you tie.
Don't forget the star goes way up high!

repeat chorus

Come help me!
