

That's Not A Puppy!

I wanted a puppy from Santa this year.
I wanted a puppy, I thought I was clear.

bridge:

Santa made a goof, I'm sure you would agree
when he left a reindeer underneath my tree!
(*spoken solo:* Yikes!)

chorus:

spoken: That's not a puppy!

sing: I think that I would know.

spoken: That's not a puppy!

sing: It's covered all in snow!

A reindeer is very nice, but it's not for me!

I still want a puppy, Santa, please!

spoken solo:

Dear Santa, thank you for the gift,
but I really wanted a puppy!

Also, I think you better check to see
who is pulling your sleigh!

repeat bridge (all, sing)

repeat chorus

Oh, just a plain old puppy, Santa, please.

Oh, I would like a regular pet that won't fly away from me!

(*spoken solo, optional:* There goes the reindeer!) Please!
