

Just One Candle

solo:

If I light just one candle and you light just one, too,
and we pass the flame from wick to wick,
from us to you and you.

And if we keep it going around the world, you'll see
the world is glowing with the light
that came from you and me!

duet:

With one candle, just one candle.
Yes, one candle burning bright.
With one candle, just one candle,
we can fill the world with light.

all:

If we light just one candle and pass the flame to you,
all our light would glow from place to place,
and we would glow there, too.

And when we keep it going, the light will show the way
to touch the people 'round the world
by shining night and day!

all (opt. div):

With one candle, just one candle.
Yes, one candle burning bright.
With one candle, just one candle,
we can fill the world with light.

all with duet:

With one candle, just one candle.
Yes, one candle burning bright.
With one candle, just one candle,
we can fill the world with light.

solo:

With one candle,
just one candle,

duet:

we can fill the world with light.

With light.
