

# Beautiful Christmas

Beautiful morning.  
Snowscapes adorning this special time of year.

Autumn is yawning.  
Winter is dawning bringing us Christmas cheer.

And now, for a little while the bells will chime.  
And now, for a little while our lights will shine.

Beautiful Christmas. Beautiful Christmastime.

*parts 1 & 2 (optional):*

Christmas is caring.  
Christmas is sharing. Thinking of others first.

And if we all pray,  
maybe for one day we could have peace on earth.

And now, for a little while the bells will chime.  
And now, for a little while our lights will shine.

*part 1:*

Beautiful Christmas. Beautiful Christmastime.

Beautiful Christmas. Beautiful Christmastime.

*part 2 (divisi, opt.):*  
Ooh.
